

How GreenWay pricing works

1. Check your monthly power bill and determine the amount of premium you are willing to pay in addition to your regular monthly bill.
2. Select the green power block that matches the premium you are willing to pay from the schedule below.
3. Add your current power bill to the green power monthly premium to determine your total monthly charges.

Fill out the form below:

Name on Power Bill

Street Address

City

State

Zip Code

Phone Number

Account Number

How many 300 kWh blocks of green power would you like to purchase each month?

- 1 = \$6.00/month 4 = \$24.00/month
 2 = \$12.00/month 5 = \$30.00/month
 3 = \$18.00/month

The amount you choose will be added to your regular power bill to cover the higher costs of producing renewable power.
